All screenings in the elementary schools will start at **9AM (9:30 on Mondays)** unless another time is shown on schedule.

Healthcare Services has asked the nurses to have all health screenings done before the end of the second quarter.

The ASD has suggested the following guidelines for their health screenings for vision:

Photostrening- PreK, K, 1st and 2nd grade and those 3rd graders that failed distance acuity

Distance Acuity- 3rd, 5th, 7th, 10th, New to District all grades and 1st graders that failed photostrening

DA Criteria- For ages 3, 4, and 5: worse than 20/40 or a two line or greater difference between the eyes (even if in passing range) is a referral.

For 6 years and older: worse than 20/30 or a two line or greater difference between the eyes (even if in passing range) is a referral.

The nurse at each individual school has a choice of following the district’s suggested guidelines or having the Lions screen their entire school.
